eVisit NB & How to use it!

Speak to a doctor from the comfort of your home!

eVisit NB HEALTHCARE REIMAGINED

maple

Please note: Maple is the name of the app that you use!

What is it?

- eVisit is a great tool that anyone in NB can access.
- you are able to speak to a doctor and receive prescriptions as needed.
- Avoid long ER wait times as you can continue on with your day as you wait.
- The Drs available can assist you with many things including:
  - Bladder infections
  - Colds
  - Eye infections
  - Sexual Health Issues
  - Skin Issues
  - and more!
  - UTIs
  - Flu
  - Vomiting
  - Diarrhea
  - Lab requisitions!

Facts to know:

- Once you are in the "waiting room" you don't have to keep the app open, you will receive a text message to say a DR is ready to see you.
- Wait times vary, be patient.
- You must create your account through www.evisitnb.ca so that you don't have to pay.
- There is still a possibility that you will have to visit the ER if the doctor determines you need in person care.
- You can use the same account for your whole family.
